### **§1206.200 Terms defined.**

Unless otherwise defined in this subpart, the definitions of terms used in this subpart shall have the same meaning as the definitions of such terms which appear in Subpart A—Mango Promotion, Research, and Information Order.

### **§1206.201 Definitions.**

*Organic Act* means section 2103 of the Organic Foods Production Act of 1990 (7 U.S.C. 6502).

### **§1206.202 Exemption for organic mangos.**

(a) A first handler who operates under an approved National Organic Program (7 CFR part 205) (NOP) organic handling system plan may be exempt from the payment of assessments under this part, provided that:

(1) Only agricultural products certified as “organic” or “100 percent organic” (as defined in the NOP) are eligible for exemption;

(2) The exemption shall apply to all certified “organic” or “100 percent organic” (as defined in the NOP) products handled by the first handler regardless of whether the agricultural commodity subject to the exemption is handled by a person that also handles conventional or nonorganic agricultural products of the same agricultural commodity as that for which the exemption is claimed;

(3) The first handler maintains a valid certificate of organic operation as issued under the Organic Foods Production Act of 1990 (7 U.S.C. 6501-6522) (OFPA) and the NOP regulations issued under OFPA (7 CFR part 205); and

(4) Any first handler so exempted shall continue to be obligated to pay assessments under this part that are associated with any agricultural products that do not qualify for an exemption under this section.

(b) To apply for exemption under this section, an eligible first handler shall submit a request for exemption to the Board on an *Organic Exemption Request Form* (Form AMS-15) at any time initially, and annually thereafter on or before the beginning of the fiscal period, as long as the first handler continues to be eligible for the exemption.

(c) A first handler request for exemption shall include the following:

(1) The applicant's full name, company name, address, telephone and fax numbers, and email address;

(2) Certification that the applicant maintains a valid certificate of organic operation issued under the OFPA and the NOP;

(3) Certification that the applicant handles organic products eligible to be labeled “organic” or “100 percent organic” under the NOP;

(4) A requirement that the applicant attach a copy of their certificate of organic operation issued by a USDA-accredited certifying agent under the OFPA and the NOP;

(5) Certification, as evidenced by signature and date, that all information provided by the applicant is true; and

(6) Such other information as may be required by the Board, with the approval of the Secretary.

(d) If a first handler complies with the requirements of this section, the Board will grant an assessment exemption and issue a Certificate of Exemption to the first handler within 30 days. If the application is disapproved, the Board will notify the applicant of the reason(s) for disapproval within the same timeframe.

(e) An importer who imports products that are eligible to be labeled as “organic” or “100 percent organic” under the NOP, or certified as “organic” or “100 percent organic” under a U.S. equivalency arrangement established under the NOP, shall be exempt from the payment of assessments on those products. Such importer may submit documentation to the Board and request an exemption from assessment on certified “organic” or “100 percent organic” mangos on an *Organic Exemption Request Form* (Form AMS-15) at any time initially, and annually thereafter on or before the beginning of the fiscal period, as long as the importer continues to be eligible for exemption. This documentation shall include the same information required of first handlers in paragraph (c) of this section. If the importer complies with the requirements of this section, the Board will grant the exemption and issue a Certificate of Exemption to the importer within the applicable timeframe. If Customs collects the assessment on exempt product that is identified as “organic” by a number in the Harmonized Tariff Schedule, the Board must reimburse the exempt importer the assessments paid upon receipt of such assessments from Customs. For all other exempt organic product for which Customs collects the assessment, the importer may apply to the Board for a reimbursement of assessments paid, and the importer must submit satisfactory proof to the Board that the importer paid the assessment on exempt organic product. Any importer so exempted shall continue to be obligated to pay assessments under this part that are associated with any imported agricultural products that do not qualify for an exemption under this section.

(f) The exemption will apply immediately following the issuance of the certificate of exemption.

(g) An importer who is exempt from payment of assessments under paragraph (e) of this section shall be eligible for reimbursement of assessments collected by the CBP on certified “organic” or “100 percent organic” mangos and may apply to the Secretary for a reimbursement.

The importer would be required to submit satisfactory proof to the Secretary that the importer paid the assessment on exempt organic products.
